ORDER:

In the letter read above, the Chief Engineer (P), Kurnool has informed that KC Canal is a good old irrigation system catering 2,65,628 Acres both in Kurnool and Kadapa districts with an allocation of 31.90 TMC is suffering year after year for want of water due to non-availability of storage facility. As such, it is proposed to provide a storage facility of 20 TMC approx. capacity on u/s of Kotla Vijaya Bhaskar Reddy Sunkesula Barrage to store flood waters to supply assured water to stabilise the ayacut under KC canal system during dry spells and Rabi season and to meet drinking, domestic and industrial needs of the chronically drought prone Rayalaseema area.

2. Accordingly, DPR is prepared by the Chief Engineer (P), Kurnool for "Formation of Additional Reservoir on Tungabhadra River U/s of Kotla Vijaya Bhaskar Reddy Sunkesula Barrage near Gundrevula village in Kurnool District" same works out to Rs.2890.00 Crores as per the current SSR 2018-19.

3. The Chief Engineer (P), Kurnool has requested the Government to accord administrative approval for the same and to communicate necessary orders early duly referring the proposal to KRMB for obtaining concurrence from the Govt. of Telangana to facilitate the grounding of the scheme.

4. Government after careful examination of the matter, hereby accord in-principle administrative sanction for an amount of Rs.2890.00 Crores (Rupees Two Thousand Eight Hundred and Ninety Crores only) for the work "Formation of Additional Reservoir on Tungabhadra River U/s of Kotla Vijaya Bhaskar Reddy Sunkesula Barrage near Gundrevula village in Kurnool District" subject to obtaining concurrence from the Govt of Telangana state through KRMB.
